HOIST JACKET

As its name, it is the jacket to fit over the hoist body (RigPro CH-1000 and all other major brand hoists) to help protect against rain ingress, dust, moisture, etc. It is made of 900 denier woven polyester and two coats of resin which proofs against the elements and provides long wearing. The standard color is black, CH-52B. Customized color and logo embossed upon request with minimum order quantity.

The rectangular cut out to protect the power cord

Why need Hoist Jacket?

- 1. Save time and simple; three steps: put on, adhere (via velcro), tighten

step 1 step 2 step 3

- 2. Cosmetic; chic appearance
- 3. Valuable; better than wrap it with other materials
- 4. Completely protected from its design: rectangular cut out on the top and string in the bottom (to tighten the skirt)
