AD-5F5	Adaptor for XLR 5 pin female to 5 pin female
AD-3F3	Adaptor for XLR 3 pin female to 3 pin female

### XLR WATERPROOF COVER

XLR-WPC is designed to protect XLR connector from wet and dust. IP66 grants it strong watertight feature, fear-free from spout of water. See-through transparent PVC body facilitates watching connector mating. It allows OD 4~6mm cable to pass through, covering wide ranges of signal cable in the market

XLR-WPC Waterproof cover for XLR, IP66, Transparent, 50pcs per pack
