

# KUPO CONNECTOR

connect every perfect moment

## [ PLS 19-pin connector series ]

UL/cUL listed

Compatible with Socapex "419" and Veam "VSC" connectors.

1. "Mate first, break last" for safety operation.
2. Making cable assembly most convenient with two-shell design.
3. Rugged die-casted aluminum alloy shells, with black non-conductive finish.

### Technical Information

- Rate voltage: AC 20A 250V
- Operating Limit Voltage: AC 400V
- Ohms Contact Resistance: <3m Ohms
- Ohms Insulation Resistance: >2000M Ohms

#### [ SOLDER TYPE ]

#### [ CRIMP TYPE ]

## [ WPC 19-pin connector series ]

Watertight(IP67) is achieved with a cable gland(FPG-42) affixed to the cable entry point.
